## Opening Greetings

*Solo: Peace Be with You*

*Unison: May My Peace arise and be fulfilled within you*

### *A Reading from Sri Karunamayī*

*Mother is silence, Mother is bliss, Mother is your own Self. Mother is Truth, wisdom and time-past, present and future. Make the present divine. Forget the past and the future. Forget everything and make the present moment divine with divine thoughts, meditation and silence. So my children, meditate on the Truth. What belief you have is not the question. Keep your own belief, elevate from your present level and touch the highest peak of pure peace. That is important. Start your eternal journey now, with beautiful silence.*

### *A Reading from the Gospel of Mary*

*The soul answered: 'That which has oppressed me has been slain; that which encircles me has vanished; my craving has faded, and I am freed from my ignorance.' ... 'I go now into Silence.' Having said all this, Mary became silent, for it was in silence that the Teacher spoke to her.*
